Biomedical Ethics Seminar Series

Patient Autonomy Since the National Research Act

Cathy Gere, PhD,
Associate Professor of the History of Science and Medicine & Director, Science Studies Program, UCSD History Department

Wednesday, January 16, 2019
4:30pm-6:30pm
UCSD, Biomedical Research Facility II, Room 2A03
Light Refreshments will be provided.

This presentation will explore some of the transformations in the idea of patient autonomy between the passing of the National Research Act in 1974 and the present.
